Florida's Turnpike to make emergency repairs to the 45th Street Bridge

Fort Lauderdale, Florida (January 23, 2007) — Beginning this evening, January 23, Florida's Turnpike Enterprise will begin emergency repairs on the 45th Street Bridge, after it was struck by a vehicle earlier today at approximately 11:30 a.m.

This work will require the closure of the 45th Street Bridge over the Turnpike until the repairs are complete. Those repairs are anticipated to take seven to ten days. Daytime Turnpike traffic will remain unaffected, however nightly lane closures will be required from 9 p.m. until 5 a.m. until the repairs are complete.

For the most up-to-date traffic information, motorists are advised to call 511 traffic information, and be aware of any electronic message boards and posted signs.
