TURNPIKE SOUTHBOUND LANE CLOSURES ON ATLANTIC AVENUE OVERPASS WEDNESDAY AND THURSDAY NIGHT

Fort Lauderdale, Florida — The southbound outside lanes of Florida's Turnpike on the overpass at Atlantic Avenue in Delray Beach will be closed from 9 p.m. to 5 a.m. on Wednesday, August 20 and Thursday, August 21. This closure will allow workers to safely repave the overpass.

Motorists should drive with extreme caution through the work zone and adhere to posted signs and speed limits. Speeding fines double in construction zones when workers are present.

Work to widen the Turnpike and reconfiguration of the Atlantic Avenue Interchange began in September 2005. Construction will continue through late 2008/early 2009.
