Turnpike to Close Nights Between Boynton Beach Boulevard and Lake Worth Road

Fort Lauderdale, FL. — The *northbound* lanes of Florida's Turnpike will be closed overnight between Boynton Beach Boulevard (Exit 86) and Lake Worth Road (Exit 93) from 11:00 p.m. to 5 a.m. on both Monday, Sept. 29 and Tuesday, Sept. 30. The *southbound* lanes will be closed during those same hours and location on Wednesday, Oct. 1 and Thursday, Oct. 2.

Northbound traffic will exit off the Turnpike at Boynton Beach Boulevard on Monday and Tuesday and southbound traffic will exit off the Turnpike at Lake Worth Road on Wednesday and Thursday. Detours will be set up to divert traffic to and from the Turnpike to US 441/SR7. Multiple message boards have been placed throughout the affected areas forewarning drivers of this upcoming closure.

Palm Beach County is extending Hypoluxo Road over the Turnpike. This closure is necessary to allow workers to set the overpass bridge beams.
