## **Open Road Tolling OPEN to Traffic at Cypress Creek Toll Plaza**

Fort Lauderdale, FL (February 4, 2008) — Today, Florida's Turnpike officials announce the Open Road Tolling (ORT) conversion at the Cypress Creek Toll Plaza is complete. This plaza is the first plaza on the Turnpike in Broward County to be converted to ORT and is now open to traffic.

ORT, at Cypress Creek, allows SunPass customers to remain at near highway speed while having their tolls deducted from their prepaid accounts. This \$6.5 million dollar ORT conversion is the third to be completed in the tri-county area. Bird Road and Homestead Plaza in Miami, were also recently converted. The Lantana Plaza in Palm Beach is currently in the process of being converted.
