Overnight Construction to Close Beachline Ramps at International Drive

Ocoee, FL (September 21, 2006)—Beginning Monday night, September 24, motorists entering and exiting the Beachline westbound at International Drive (Milepost 2) should expect to encounter overnight ramp closures that will necessitate short detours between 9 p.m. and 6 a.m. The ramp closures may continue through Friday morning, September 28.

Motorists should follow the detour signs and use the westbound entrance and exit ramps at Orangewood Boulevard.

The closures are part of a \$10.3 million milling and resurfacing project being conducted concurrent with the \$25 million reconstruction of the Beachline mainline toll plaza near Milepost 6.

The resurfacing project is scheduled for completion in the spring of 2008.

Florida's Turnpike Enterprise, part of the Florida Department of Transportation, oversees a 454-mile system of limited-access toll highways: the Florida's Turnpike, extending north from Homestead in Miami-Dade County to Wildwood in Sumter County, the Seminole Expressway and Southern Connector (Toll 417) in Seminole, Orange and Osceola counties, the Beachline Expressway West (Toll 528) in Orange County, the Polk Parkway (Toll 570) in Polk County, the Veterans Expressway and Suncoast Parkway in Hillsborough, Pasco and Hernando counties (Toll 589), the Sawgrass Expressway (Toll 869) in Broward County, and the Daniel Webster Western Beltway (Toll 429) in Orange and Osceola Counties.

SunPass is the Florida Department of Transportation's innovative Prepaid Toll Program. SunPass may be used on Florida's toll roads and most toll bridges. For information on SunPass®, please contact 1-888-TOLL-FLA (865-5352).

Travelers on the Florida's Turnpike system of roads may view real-time traffic information by visiting our website at <http://www.floridasturnpike.com>. While traveling in the Orlando, South Florida and Tampa Bay regions, motorists should dial 511 for real-time regional traffic information on the Turnpike and other major roads. This information system is voice-activated; motorists should speak the name of the road they wish to use. They may also visit <http://www.fl511.com> for information. This free service of the Florida Department of Transportation is available 24/7.
