All northbound lanes to close Thursday night and all southbound lanes to close Sunday night on the Sawgrass Expressway

FORT LAUDERDALE — All **northbound** lanes on the Sawgrass Expressway will be closed between the Atlantic Boulevard and Sample Road interchanges from 10 p.m. Thursday, April 17, to 5 a.m. Friday, April 18, as work crews install an electronic sign over the traffic lanes. The northbound on-ramp from Atlantic Boulevard also will be closed during this period.

During the closure, northbound traffic will be detoured to Atlantic Boulevard, east to Coral Ridge Drive, and then north to the Sawgrass Expressway's northbound on-ramp at Coral Ridge Drive.

Beginning at 10 p.m. Sunday, April 20, through 5 a.m. Monday, April 21, all **southbound** lanes on the Sawgrass Expressway will be closed between the Coral Ridge Drive and Sample Road interchanges, along with the southbound Sawgrass on-ramp from Coral Ridge Drive. Another electronic sign will be installed over the roadway. If the work cannot be performed Sunday night, it will be rescheduled for Monday night, April 21.

During the closure, traffic will be detoured to Coral Ridge Drive, south to Sample Road and then onto the southbound Sawgrass Expressway.

Electronic signs and roadway signs will advise motorists about the ramp closures and detours.
