Dear Recipient:

Enclosed you should find a complete package for your use in obtaining certification and permits for a tandem trailer operation on Florida's Turnpike.

Please dispose of **ALL OLD FORMS**.

Your package should include:

- Axle Weight Certification Form
- Rule 14-54, Regulations Governing Tandem Trailer Combinations (Effective Date - May 14, 1996)
- Forms for Certifying Tractor, Lead Trailer, Dolly, Insurance, Drivers Qualification and General Certification

Please retain the forms as **Masters**, to be copied as needed. Updates and replacement forms will be sent as needed or upon request.

Turnpike tandem units cannot be taken from Turnpike right-of-way in tandem configuration. Staging areas has been constructed throughout the Turnpike system to allow for make-up and break-down of the tandem combination. These locations are, coming from the north:

- Okahumpka Service Plaza (North End) - M.P. 299
- Interstate 4 - Exit 259
- Yeehaw Junction (S.R. 60) - Exit 193
- Jupiter (S.R. 706) - Exit 116
- Sawgrass Expressway / Commercial Blvd - Exit 5
- Golden Glades Interchange - Exit 0x
- Okeechobee Road (U.S. 27) - Exit 35 (Homestead Extension)

All completed forms must be legible originals and sent to this office at the address above. Once approved, permits will be issued for the tractors, along with the General Certification.

Information concerning tolls accounts you may be directed to Turnpike Enterprise Tolls department at (407) 532-3999. Toll rates can be found at www.floridasturnpike.com, trip planner.

Should you have any further questions, fell free in contacting me at (954) 975-4855, extension 1243.

Sincerely,

Andrea T. Bellamy,
Fleet Manager
