One Northbound Lane on Florida's Turnpike is Temporarily Closed in Indian River County

OCOEE — On Florida's Turnpike, one northbound lane in the vicinity of milepost 179 in Indian River County will remain closed through 5 p.m., Monday, October 16, for emergency road maintenance. This previously unscheduled work occurring south of the Fort Drum Service Plaza is needed to repair asphalt in one travel lane. All paving-related lane closures depend on weather conditions; rain may delay or cancel paving operations.

Motorists are encouraged to monitor the Turnpike's system of overhead electronic signs and highway advisory radios for additional updates. Drivers may dial 5-1-1 for real-time traffic information or visit www.FL511.com before traveling. They may also follow @fl511_Turnpike on Twitter.
