PINELLAS BAYWAY TOLL PLAZA TO RESUME CASH COLLECTION SERVICES SATURDAY, OCTOBER 7, 2017

OCOE, FL — The Pinellas Bayway toll system will resume cash collection services on Saturday, October 7, 2017 at 6 a.m., one day later than originally anticipated. The Bayway Customer Service Walk-Up Center will **remain closed** until further notice.

The building that houses the Bayway Customer Service Walk-Up Center along with cash toll collection facilities was closed Wednesday for maintenance repairs.

Until Saturday morning, cash toll collection operations will continue to be managed using Toll-By-Plate on the Pinellas Bayway toll system.

Cash paying customers using any of the Pinellas Bayway toll plazas will be invoiced for all tolls and **will not** be charged an administrative fee during the period that Toll-By-Plate is in use.

All customers who currently use electronic toll payment methods such as SunPass, Bayway commuter pass, or resident pass are not affected.

Any customer that requires a commuter pass or resident pass, or needs to conduct other SunPass business, please call 1-888-865-5352, Monday through Friday from 7:00am to 7:00pm or Saturday from 8:30 am to 5:00 pm. A customer service representative will be happy to assist you in obtaining the appropriate pass or addressing other issues.
