Florida's Turnpike Enterprise Opens New Entrance Ramp at Campbell Drive And temporarily closes existing northbound entrance ramp from Campbell Drive

MIAMI — On Wednesday, July 18, the Florida Turnpike Enterprise is scheduled to open a new northbound Florida's Turnpike entrance ramp from Campbell Drive/SW 312th Street. The current northbound entrance ramps from Campbell Drive will be temporarily closed for construction activities and will reopen by the end of Summer 2018.

This new entrance ramp will help lessen congestion by providing a dedicated right-turn lane to motorists traveling westbound on Campbell Drive needing to access northbound Florida's Turnpike.

This work is part of an ongoing improvements project at the interchange of Campbell Drive and Florida's Turnpike.

Please note that this schedule may change due to inclement weather or other unexpected conditions.
