

Suncoast Parkway 2/SR Toll 589

FPID: 405270-1 & 3, -4

March 2015

Description:

The Suncoast Parkway 2 is a four-lane, limited access toll facility that extends the existing Suncoast Parkway northward approximately 27 miles through Hernando and Citrus Counties. This project will be implemented in two sections, the southern section and the northern section. The southern section begins at US 98 and ends at SR 44. This project will be delivered through a design-bid-build process proposed for FY 2016. The northern section, between SR 44 and US 19, is currently unfunded.

Benefits:

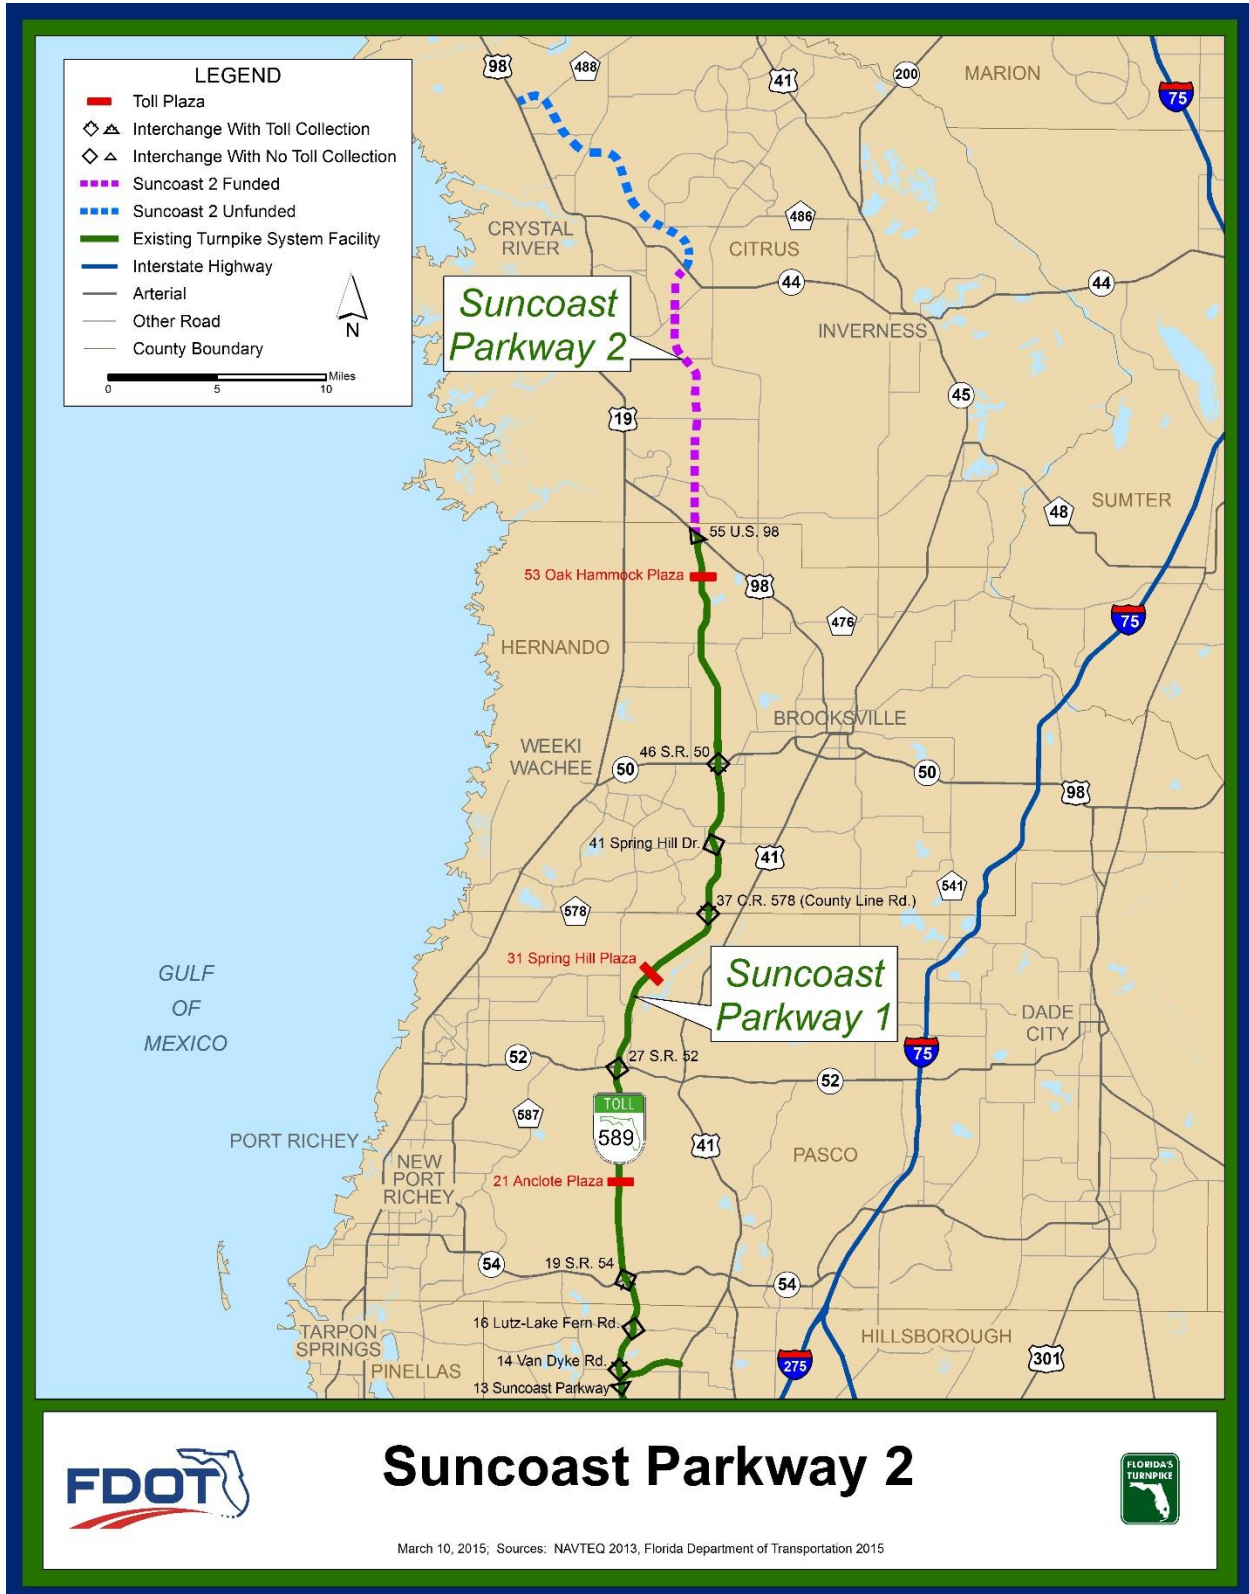

- Provides an alternative to US 19 for north-south trips in Hernando and Citrus Counties.
- Reduces travel time and emissions on the existing roadway network.
- Integrates a transportation network consisting of statewide and regionally significant transportation facilities.
- Improves mobility between Citrus County and the Tampa Bay Region.

Status:

- **Permitting** – Currently underway with an anticipated completion in the spring of 2016.
- **Right of Way Acquisition** – Voluntary right of way acquisition efforts are being finalized. FTE anticipates all remaining right of way will be acquired by December 2016.
- **Construction** – Budget is programmed in the Tentative Work Program for FY 2016.
- **Multi-Use Trail** – FTE is coordinating with Citrus County for future implementation of the trail.
- **Public Hearing** – Public Hearing is anticipated to occur in the summer of 2015. The date will be determined in coordination with Central Office.
