

| Florida's Turnpike Enterprise Roadway Phase I (30%) Check List - Per FDM and TDH Part 3 | |
|---|---------------------------|
| | Satisfactory Yes/No/NA |
| Notes to Reviewers - Section 301 | |
| Design Exceptions, Variation, and Technical Memorandums | |
| Special directives - date and source | |
| Key Sheet - Section 302 | |
| Location Map w/ location of project on map | |
| All applicable Financial Project ID's | |
| (Federal Funds) notation if applicable | |
| Exceptions & Equations | |
| County Name | |
| State Road Number | |
| North Arrow and Scale | |
| Approval Signature Lines | |
| Railroad Crossing (if applicable) | |
| Revision Box | |
| Governing Standards & Specifications Dates | |
| Department's Project Manager's Name (GEC and FTE) | |
| Begin and End Project Station, Begin and End Project TMP, & Begin Project CMP | |
| Begin and End Bridge Stations | |
| Consultants Name/Address/Contract Number/ Certificate of Authorization Number and Vendor Number (if applicable) | |
| Bench Mark Datum Note | |
| Signature Sheet - Section 303 | |
| N/A this phase | |
| Summary of Pay Items - Section 304 | |
| N/A this phase | |
| Typical Section - Section 306 | |
| Mainline, Ramps and Cross Road Typical | |
| Tolling Point Typical | |
| R/W Lines | |
| Special Details (e.g., Bifurcated Sections, High Fills, Shoulders, Cross Slope Correction, etc.) | |
| Traffic Data | |
| Summary of Quantities - Section 307 | |
| N/A this phase | |
| Project Layout - Section 309 | |
| Plan-Profile Sheet Sequence (Mainline, Ramps, and Crossroads) | |
| Project Control - Section 310 | |
| Benchmarks | |
| Reference Points | |
| Control Points | |
| General Notes - Section 311 | |
| FDM & TDH Standard Notes (as applicable) | |

| Florida's Turnpike Enterprise Roadway Phase I (30%) Check List - Per FDM and TDH Part 3 | |
|--|-----------------------------------|
| | Satisfactory Yes/No/NA |
| Coodinate and Curve Data - Section 312 | |
| All horizontal curve data per FDM Section 312 | |
| Northing/Easting for PC, PI, PT, and CC | |
| Design Speed | |
| Roadway Plan-Profile - Section 312 | |
| Plan View: | |
| North Arrow and Scale | |
| Baseline of Survey, Station Equations | |
| Existing Topography Including Utilities | |
| Preliminary Horizontal Geometrics/Dimensions | |
| Existing & Proposed R/W Lines (If Available) | |
| Centerline of Construction (If Different From The Baseline Of Survey) | |
| Begin and End Stations: Project, Construction, Bridges, Bridge Culverts, Exceptions, Widening, Reconstruction, and Milling & Resurfacing | |
| Reference Points (If Project Layout Sheet Not Included In Plans Set) | |
| Profile View: | |
| Scale | |
| Appropriate Existing Utilities | |
| Bench Mark Info | |
| Prelim Profile Grade Line | |
| Equations | |
| Existing Ground Line With Elevations At End Of Each Sheet | |
| Begin and End Stations: Project, Bridges, Bridge Culverts, And Exceptions | |
| Special Profile - Section 313 | |
| Scale | |
| Ramp Profile Worksheet Including Nose Sections | |
| Existing Ground Line Of Intersections | |
| Preliminary Grade Line Of Intersections | |
| Preliminary Curb Return Profiles | |
| Back-of Sidewalk Profile - Section 313 | |
| Scale | |
| Begin And End Project Stations | |
| Begin And End Sidewalk Stations | |
| Cross-Street Locations And Elevations | |
| Drainage Flow Direction Arrows | |
| Mainline Equations | |
| Existing Driveway Locations And Details | |
| Superelevation Details | |
| Back-Of-Sidewalk Profile Grades And Vertical Curve Information | |
| Building Floor Elevations With Offset Distance Left And Right | |
| Gradeline Notation: Specifically The Numeric Difference Relative To Roadway Profile Gradeline | |

| Florida's Turnpike Enterprise | |
|--|-----------------------------------|
| Roadway Phase I (30%) Check List - Per FDM and TDH Part 3 | |
| | Satisfactory Yes/No/NA |
| Interchange Layout/Details - Section 314 | |
| North Arrow and Scale | |
| Schematic Of Traffic Flow And Volumes | |
| Proposed Bridge Limits | |
| R/W Lines | |
| Prelim Configuration and Geometrics | |
| Quadrant Identification | |
| Ramp Labels | |
| Ramp Terminal Details - Section 314 | |
| N/A this phase | |
| Intersection Layout/Details - Section 314 | |
| North Arrow and Scale | |
| Existing Topography (If Applicable) | |
| Proposed R/W Limits | |
| Length Of Turn Lanes | |
| Taper Lengths | |
| Existing Utilities | |
| Geometric Dimensions(Radii, Offsets, Widths) | |
| Cross Section Pattern Sheet - Section 314 | |
| N/A this phase | |
| Roadway Soil Survey - Section 318 | |
| N/A this phase | |
| Cross Sections - Section 319 | |
| Scale | |
| Existing Ground Line | |
| Existing Survey Baseline Elevations | |
| Station Numbers | |
| Baseline Of Survey Labeled | |
| Existing Utilities | |
| Proposed Template With Profile Grade Elevations Along mainline And Cross-Streets | |
| Temporary Traffic Control Plans - Section 321 | |
| Project Specific | |
| Other Worksheets As Necessary To Convey Concept And Scope | |
