**FORT LAUDERDALE** — Florida's Turnpike announces updated lane closures and work zones due to construction and maintenance projects in Miami-Dade, Broward, Palm Beach, Martin and St. Lucie counties, **for the week beginning Sunday, May 24**. Lane closures will be restricted from 6 a.m. Friday, May 22, through 10 p.m. Monday, May 25, to enhance safety and convenience for the traveling public during the Memorial Day holiday weekend.

#### **MIAMI-DADE COUNTY**

##### **TURNPIKE – MILLING AND RESURFACING PROJECTS (MILEPOST 0-9, 11-16 & 20-22)**

- One northbound Turnpike lane will be closed from south of Caribbean Boulevard (Exit 12) to north of Eureka Drive/Southwest 184<sup>th</sup> Street (Exit 13) from 9:30 p.m. to 5 a.m. Tuesday, May 26, through Thursday, May 28.

**PROJECT DESCRIPTION:** Two construction projects are underway to remove the existing pavement and to resurface and restripe various segments of the Turnpike: from the U.S. 1 (Exit 1) to Allapattah Road (Exit 9); from Southwest 216<sup>th</sup> Street (Exit 11) to Southwest 152<sup>nd</sup> Street/117<sup>th</sup> Avenue (Exit 16); and from Southwest 88<sup>th</sup> Street/Kendall Drive (Exit 20) to Southwest 56<sup>th</sup> Street/Miller Drive at Milepost 22. New shoulders will be constructed on the ramps at the following interchanges: Campbell Drive, Biscayne Drive, Tallahassee Road and Allapattah Road. The existing paved shoulders will be widened at the ramps to U.S. 1 and to Biscayne Drive. One project is scheduled for completion by the end of 2009; the other is scheduled for completion in the summer of 2010. Combined cost: \$14.4 million.

##### **TURNPIKE – SOUTH FLORIDA INTELLIGENT TRANSPORTATION SYSTEMS (ITS) PROJECT**

- No lane closures this week.

**PROJECT DESCRIPTION:** Data collection equipment, including cameras, vehicle detectors and travel-time detectors, along with two electronic, dynamic message signs (DMS) are being installed on Florida's Turnpike from Milepost 0 to Milepost 117

and from Milepost 0X to 4X. The equipment will help the Turnpike's Traffic Management Center identify and manage traffic incidents. The project is scheduled for completion this summer. Approximate project cost: \$20.6 million.

#### **OKEECHOBEE TOLL PLAZA OPEN ROAD TOLLING AND NW 74<sup>TH</sup> STREET INTERCHANGE (MILEPOST 32)**

- One or two lanes in either direction of Florida's Turnpike will be closed beneath the new Northwest 74<sup>th</sup> Street overpass from 10 p.m. to 5:30 a.m. for two nights — Tuesday, May 26, and Wednesday, May 27. At least one lane in each direction will remain open.

**PROJECT DESCRIPTION:** The Okeechobee mainline toll plaza will be converted into an open-road tolling plaza that will allow motorists with SunPass to travel at highway speeds while their toll is collected via SunPass equipment overhead ... no gates, no tollbooths. Cash-paying motorists will pull off the highway onto ramps with traditional tollbooths and then merge back onto the travel lanes. A new SunPass-only interchange is under construction at Northwest 74<sup>th</sup> Street. Construction began in January 2007 and is scheduled for completion in the spring 2010. Approximate cost: \$64.8 million.

### **BROWARD COUNTY**

#### **SAWGRASS EXPRESSWAY – OPEN ROAD TOLLING AT DEERFIELD TOLL PLAZA**

- The exit ramp to Lyons Road will be closed to traffic coming from Southwest 10th Street from 10 p.m. Tuesday, May 26, to 6 a.m. Wednesday, May 27, as paving crews work in the area.
  - To access Lyons Road, traffic from Southwest 10th Street will be detoured to U.S. 441, north to Hillsborough Boulevard or south to Sample Road, and then east to Lyons Road.
  - Concurrently, cash customers on the westbound Sawgrass Expressway will not have access to the Deerfield plaza tollbooths, and will be directed to use the SunPass-only express lanes, where tolls will be waived during the closure.
  - If the paving work cannot be completed as scheduled, the work and closures will be rescheduled for the following evening, May 27.
- One lane in each direction may be closed on the Sawgrass Expressway between U.S. 441 and the intersection of Waterways Boulevard between 8 p.m. and 6 a.m. Tuesday, May 26, through Friday, May 29. Two lanes in each direction will remain open.

**PROJECT DESCRIPTION:** The Deerfield mainline toll plaza on the Sawgrass Expressway will be converted into a high-tech, open-road tolling (ORT) plaza that will allow motorists with SunPass to pay their toll while traveling at highway speeds of 65 mph. The work entails constructing SunPass-only gantries west of the existing plaza and removing the center tollbooths from the existing toll plaza. The project is scheduled for completion in the spring of 2009. Approximate cost: \$40 million.

- There will be daytime lane closures at SR 7.

**PROJECT DESCRIPTION:** This project is a multi-million dollar construction program to widen Florida's Turnpike in Broward County. ## TURNPIKE – ONE MILE SOUTH OF SAWGRASS INTERCHANGE (MILEPOST 70.0 to 70.5)
