Central Florida Weekly Lane Closures and Work Zone Advisory

OCOOE, FL (September 12, 2008) — Florida's Turnpike announces lane closures and work zone information for construction and maintenance projects in Central Florida **beginning Sunday, September 14, 2008.**

Florida's Turnpike strives to maintain traffic flow in work zones; however, motorists may encounter heavier traffic near construction sites. Motorists should drive with caution through the work zones, and adhere to posted detour signs and speed limits. Speeding fines double in construction zones when workers are present. **All paving-related lane closures are dependent on weather conditions; rain may delay or cancel paving operations.**

Turnpike Mainline

OSCEOLA COUNTY

STATE ROAD 60 WIDENING PROJECT (MILEPOSTS 192-194)

- Turnpike motorists should expect single, outside lane closures, both north- and southbound, 7 a.m. to 7 p.m., Monday through Thursday, and 7 a.m. to 12 p.m. (noon), on Fridays until further notice.

PROJECT DESCRIPTION: The Florida Department of Transportation District 4 is widening State Road 60 through Osceola County, including reconstruction of the bridge over the Turnpike near Yeehaw Junction.

ROADWAY RESURFACING PROJECT (MILEPOSTS 198-207 and 227-249)

- Turnpike motorists should expect single lane closures, north- and southbound, as follows:
 - 10 p.m. to 6 a.m., Sunday, September 14
 - 8 p.m. to 6 a.m., Monday, September 15 to Thursday, September 18
 - 8 a.m. to 5 p.m., Monday, September 15 to Thursday, September 18

PROJECT DESCRIPTION: This \$29 million resurfacing project includes milling and resurfacing portions of the roadway including exit ramps and toll plaza lanes, and widening some roadway shoulders. The project also includes the installation of guardrail. The resurfacing project is scheduled for completion in June 2008.

ORANGE COUNTY

TURNPIKE WIDENING PROJECT € INTERSTATE 4 TO GOTHA ROAD (MILEPOSTS 259-265)

- Construction activities continue from the Interstate 4 bridges to north of the Turkey Lake Service Plaza at the Gotha Road Bridge.
- Motorists should be alert for overnight, single lane closures between Kirkman Road and the SR 408, 10 p.m. to 5 a.m., Sunday, and 9 p.m. to 5 a.m., Monday through Thursday.
- Be alert for lane shifts in both Northbound and Southbound directions between Kirkman Road and Gotha Rd overpass.
- Motorists on both Kirkman and Gotha Roads should be alert for single lane closures in both directions between 9 p.m. and 5 a.m., Mondays through Thursdays, and 10 p.m. to 5 a.m. on Sundays. This accommodates work on the Kirkman and Gotha bridge Turnpike overpasses
- Gortha Road single lane closures will occur from 10 a.m. to 3 p.m., Monday through Friday, except for Wednesday, when closures will be from 10 a.m. to 2 p.m.
- Motorists traveling northbound on the Turnpike should be alert for nighttime closures near the Turkey Lake Service Plaza.
- Motorists should be alert for day-and nighttime closures on Apopka-Vineland Road.
- Motorists should be alert for pacing operations on northbound Turnpike Monday – Wednesday night.

PROJECT DESCRIPTION: This \$128.6 million project adds two lanes in each direction between Interstate 4 and the SR 408 Interchange. Construction includes widening the existing bridges over Interstate 4 and Apopka-Vineland Road, and replacing the Kirkman Road and Gotha Road bridges over the Turnpike. Additionally, improvements will be made at the Interstate 4 and SR 408 (East-West Expressway) interchanges. This project is scheduled to be complete in August 2010. TURNPIKE WIDENING PROJECT – SR. 408 TO NORTH OF BEULAH ROAD (MILEPOST 265-270)

- Night Work continues. Motorist traveling on Florida's Turnpike between mileposts 265-270 should expect delays due to intermittent, single lane closures, both north- and southbound, 10 p.m. to 5 a.m., Sunday night through Friday morning.
- Motorist should be alert for construction vehicles entering and exiting traffic at locations along the project.
- Be aware of the single laning on the State Road 50 Connector Rd. and the merging traffic at the on- and off-ramps.
- Be alert for lane shifts in both directions on the Turnpike as well as the northbound ramps from SR 408.
- Detours of traffic on Beulah Road are in place overnight from 8 p.m. to 6 a.m.

PROJECT DESCRIPTION: This \$68.8 million project consists of widening of Florida's turnpike (SR 91) from four to eight lanes and six to 12 lanes from milepost 266 to milepost 269 in Orange County. The construction includes widening of the bridges over Beulah Rd. and reconstruction of the State Road 50 connector bridge over Florida's Turnpike, resurfacing existing pavement, construction of storm water retention ponds, signing and marking, lighting, landscaping, sound barriers, ITS and utilities. This project is expected to be complete in August 2010.

SUMTER COUNTY

ROADWAY RESURFACING PROJECT (MILEPOSTS 296-309)

- Motorists should be alert for nightly single lane closures, 10 p.m. to 6 a.m
- Watch for intermittent single lane closures to accommodate milling and paving operations during the overnight hours.

PROJECT DESCRIPTION: This \$13.5 million resurfacing project, which began March 3, includes milling and resurfacing the roadway, including drainage and guardrail improvements. The resurfacing project is scheduled for completion in November 2008. For more information on the Sumter County resurfacing project, visit <http://www.sumterconstruction.com/index.html>

Beachline West Expressway BEE LINE WEST TOLL PLAZA RECONSTRUCTION AND WIDENING (Mileposts 4-8)

- Construction activities continue on McCoy Road as crews continue work on the new bridge.
- Motorists should be aware of lane closures next week for temporary stripping and barrier wall installation, both east- and westbound from milepost 4 to milepost 8.

PROJECT DESCRIPTION: Florida's Turnpike Enterprise is currently performing improvements to the Bee Line West Mainline Toll Plaza near Milepost 6. These improvements include open road tolling and widening the roadway between the Turnpike and McCoy Road as part of a series of enhancements scheduled for construction over the next several years. The current project consists of the demolition and reconstruction of the existing mainline toll plaza with major capacity improvements and additional lanes.

Upon completion in the spring of 2009, the plaza will feature two SunPass-only express lanes in each direction, with the capacity to add an additional lane when the Beachline is widened to three lanes in each direction. With the added open road tolling feature, SunPass customers will be able to travel at highway speed in the express lanes.

Included in the toll plaza improvements is the construction of four mixed-use lanes to provide additional lanes for cash customers.

In June 2008, a project began a \$49 million project to widen the Beachline from the Turnpike (Milepost 4.3) to McCoy Road. Improvements include widening the existing bridge structures at US 441, Landstreet Road, CSX Railroad, CSX Railroad Taft Yard, Orange Avenue and McCoy Road. A new bridge will also be constructed for the access ramp over the CSX Railroad.

Regional Projects

ORANGE AND OSCEOLA COUNTIES

Daniel Webster Western Beltway LANDSCAPING INSTALLATION PROJECT (Mileposts 0-11)

- Motorists should be alert for outside single lane closures, both north- and southbound between mileposts 6-8 (US 192 to Hartzog Road/Western Way), 7 a.m. to 5 p.m., Monday through Friday until further notice.

PROJECT DESCRIPTION: This \$2 million projects adds landscaping to the Western Beltway between Interstate 4 and Seidel Road. The project is scheduled for completion in December 2008.

POLK COUNTY

TOLL ROAD 570—THE POLK PARKWAY

SUNPASS TOLL PLAZA CONVERSION PROJECT (Mileposts 0-18)

PROJECT DESCRIPTION: Florida's Turnpike began on March 10 a project to add SunPass-only lanes at the ramp toll plazas. The outside lanes at the following toll plazas will be converted to SunPass-only lanes:

- Airport Road, Exit 3, eastbound off and westbound on ramps

- Waring Road, Exit 4, eastbound off and westbound on ramps
- Harden Boulevard, Exit 5, eastbound off and westbound on ramps
- State Road 540 (Winter Lake Road), Exit 14, eastbound on and westbound off ramps
- County Road 546 (Old Dixie Highway), Exit 18, eastbound off and westbound on ramps

This \$3.2 million project is scheduled for completion in February 2009.

Florida's Turnpike Enterprise, part of the Florida Department of Transportation, oversees a 460-mile system of limited-access toll highways: Florida's Turnpike, extending north from Homestead in Miami-Dade County to Wildwood in Sumter County; the Seminole Expressway and Southern Connector (Toll 417) in Seminole, Orange and Osceola counties; the Beachline Expressway West (Toll 528) in Orange County; the Polk Parkway (Toll 570) in Polk County; the Veterans Expressway and Suncoast Parkway in Hillsborough, Pasco and Hernando counties (Toll 589); the Sawgrass Expressway (Toll 869) in Broward County; and the southern 11 miles of the Daniel Webster Western Beltway (Toll 429) in Orange and Osceola Counties.

SunPass is the Florida Department of Transportation's innovative Prepaid Toll Program. SunPass may be used on all Florida's toll roads and most toll bridges. For information on SunPass®, call 1-888-TOLL-FLA (865-5352) or visit <http://www.sunpass.com>.

Travelers on the Florida's Turnpike system of roads may view real-time traffic information by visiting our website at <http://www.floridasturnpike.com>. While traveling in the Orlando, South Florida and Tampa Bay regions, motorists should dial 511 for real-time regional traffic information on the Turnpike and other major roads. This information system is voice-activated; motorists should speak the name of the road they wish to use. They may also visit <http://www.fl511.com> for information. This free service of the Florida Department of Transportation is available 24/7.
