SOUTH FLORIDA AND TREASURE COAST WEEKLY LANE CLOSURES AND WORK ZONE ADVISORY

FORT LAUDERDALE (July 12, 2007) — Florida's Turnpike announces updated lane closures and work zones due to construction and maintenance projects in Miami-Dade, Broward, Palm Beach, Martin, and St. Lucie counties, **for the week beginning Sunday, July 15.**

Speeding fines double in construction zones when workers are present. Motorists should drive with caution through the work zones and adhere to posted detour signs and speed limits.

MIAMI-DADE COUNTY

TANDEM-TRUCK PARKING LOT AT THE GOLDEN GLADES INTERCHANGE

- Connector **ramp closed**, and motorists traveling from northbound SR 9 and US 441(SR 7) to the northbound Turnpike and westbound SR 826 (Palmetto Expressway) will be detoured.
- Motorists should follow the **detour** signs and take northbound US 441 to the Northwest 7th Avenue Extension, go west and connect to the northbound Turnpike or westbound SR 826.
- Ramp closure and detour in effect from **10 p.m. to 6 a.m.** Monday, July 16, through Thursday, July 19.

PROJECT DESCRIPTION: A new tandem-truck parking lot will be constructed at the Golden Glades interchange, just off the I-95 connector road, and will replace the existing truck staging area located at the Turnpike's Golden Glades toll plaza. Tandem-truck drivers will be able to use the new lot to temporarily park one of their two trailers while using local roads to deliver goods. Construction began in January 2007 and is scheduled for completion later this summer. Approximate cost: \$1.2 million.

OKEECHOBEE TOLL PLAZA CONVERSION AND NW 74TH STREET INTERCHANGE (MILEPOST 32)

- Two southbound Turnpike lanes may be closed between Northwest 106th Street and the Okeechobee toll plaza, from 10 p.m. to 6 a.m. Monday through Thursday. One southbound lane will remain open.
- **Wide-load vehicles** will not be able to get through the Okeechobee mainline toll plaza, as the **toll lanes** have been **narrowed** for construction. When southbound, wide-loads should exit at Northwest 106th Street (Exit 34) and reenter the Turnpike at Northwest 41st Street (Exit 29). When northbound, wide-loads should exit at 41st Street and reenter the Turnpike at 106th Street.

PROJECT DESCRIPTION: The Okeechobee mainline toll plaza will be converted into an open-road tolling plaza that will allow motorists with SunPass to travel at highway speeds while their toll is collected via SunPass equipment overhead ... no gates, no tollbooths. Cash-paying motorists will pull off the highway onto ramps with traditional tollbooths and then merge back onto the travel lanes. A new

SunPass-only interchange will be constructed at Northwest 74th Street. Construction began in January 2007 and is scheduled for completion in late 2009. Approximate cost: \$63.4 million.

BROWARD COUNTY

SAWGRASS EXPRESSWAY WIDENING – ATLANTIC BOULEVARD TO FLORIDA’S TURNPIKE

- One lane in each direction may be closed and one lane in each direction may be open along various segments of the Sawgrass Expressway **between Atlantic Boulevard and Florida’s Turnpike**, Monday, July 16, through Thursday, July 19. Northbound/eastbound lane may be closed between 7:30 p.m. and 6:30 a.m.; southbound/westbound lane may be closed between 8 p.m. and 7 a.m.
- **Eastbound Sawgrass on-ramp from University Drive** – Closed from 10 p.m. to 5 a.m. Sunday and Monday, July 15-16.
- **Westbound Sawgrass on-ramp from US 441** – Closed from 10 p.m. to 5 a.m. Sunday and Monday, July 15-16.
- **Westbound Sawgrass off-ramp to University Drive** – Closed from 10 p.m. to 5 a.m. Monday and Tuesday, July 16-17.
- **Eastbound Sawgrass off-ramp to Lyons Road** – Closed from 10 p.m. to 5 a.m. Monday and Tuesday, July 16-17.
- **Eastbound Sawgrass off-ramp to northbound US 441** – Closed from 10 p.m. to 5 a.m. Wednesday and Thursday, July 18-19.

PROJECT DESCRIPTION: Consists of widening the Sawgrass Expressway from four to six lanes, construction of sound walls and other improvements. The project is scheduled for completion in the summer of 2008.

SAWGRASS EXPRESSWAY – OPEN ROAD TOLLING AT SUNRISE TOLL PLAZA

- No lane closures scheduled this week.
- **Wide-load vehicles** traveling **northbound** will not be able to get through the **Sunrise** mainline **toll plaza**, as the **toll lanes** have been **narrowed** for construction. Wide-loads should exit at Sunrise Boulevard, follow the **detour** signs and reenter the Sawgrass Expressway at Oakland Park Boulevard. This detour will remain in effect through late August.

PROJECT DESCRIPTION: The Sunrise mainline toll plaza on the Sawgrass Expressway will be converted into a high-tech, open-road tolling (ORT) plaza that will allow motorists with SunPass to pay their toll while traveling at highway speeds of 65 mph. The work entails constructing SunPass-only gantries south of the existing plaza and removing the center tollbooths from the existing toll plaza. The project is scheduled for completion in the summer of 2008. Approximate cost: \$26.2 million.

SAWGRASS EXPRESSWAY – OPEN ROAD TOLLING AT RAMPS

- No closures scheduled this week.

PROJECT DESCRIPTION: SunPass-only lanes will be constructed at eight ramp toll plazas on the Sawgrass Expressway, including those at Commercial Boulevard, Atlantic Boulevard, Sample Road and University Drive. The project is scheduled for completion in the summer of 2008. Approximate cost: \$13.9 million.

TURNPIKE WIDENING – GRIFFIN ROAD TO SUNRISE BOULEVARD (Milepost 53 to 58)

- Two lanes in each direction closed periodically between Griffin Road and Sunrise Boulevard (Milepost 53 to 58). One lane will remain open at all times.
- Sunday, July 15, through Thursday, July 19, between 9 p.m. and 5 a.m.

TURNPIKE WIDENING – SUNRISE BOULEVARD TO ATLANTIC BOULEVARD (Milepost 58 to 66)

- All northbound and southbound lanes on Florida’s Turnpike closed overnight between Sunrise Boulevard and Commercial Boulevard
- Sunday, July 15, Wednesday, July 18, and Thursday, July 19, from 11 p.m. to 5 a.m.
- Southbound traffic should exit at Commercial Boulevard, go east to US 441 and then south to Sunrise Boulevard to reenter the Turnpike.
- Northbound Traffic should exit at Sunrise Boulevard, go east to US 441 and then north to Commercial Boulevard to reenter the Turnpike.

Local roadways affected:

- Commercial Boulevard - Two westbound lanes closed.
- Periodic daytime closure on Lyons Road, under the Turnpike.
- Sunday, July 15, through Thursday, July 19, between 9 p.m. and 5 a.m.

PROJECT DESCRIPTION: This project is the first phase of a multi-year, multi-million dollar construction program to widen Florida's Turnpike in Broward County from six to eight lanes. The first phase to widen the Turnpike has started on the southbound lanes from Griffin Road (Exit 53) to Atlantic Boulevard (Exit 66). In addition to road-widening work, an important component of this project is the construction of sound barrier walls which will be built along residential areas. Approximate project cost: \$265 million. Completion is anticipated during the summer of 2010.

PALM BEACH COUNTY

ATLANTIC AVENUE INTERCHANGE RE-CONFIGURATION (Milepost 80-82)

- All northbound Turnpike lanes will be closed at Atlantic Avenue.
- Monday, July 16, and Tuesday, July 17, from 11:30 p.m. through 5 a.m.
- Northbound drivers must exit at Atlantic Avenue and make a U-turn to reenter the northbound Turnpike

PROJECT DESCRIPTION: Widening of Florida's Turnpike from four to six lanes between the Atlantic Avenue interchange and the Lantana Toll Plaza, including the reconstruction of the Atlantic Avenue interchange. The interchange project started in 2005 and is scheduled for completion in 2009. Approximate cost: \$81 million.

TURNPIKE / JOG ROAD SUNPASS-ONLY INTERCHANGE - NORTH OF SOUTHERN BOULEVARD (Milepost 98)

- No scheduled lane closures this week.

PROJECT DESCRIPTION: A new, partial SunPass-only interchange is being built at Jog Road. The future interchange will feature ramps to and from the south only. Started in the fall of 2005 and is scheduled for completion in 2007. Approximate cost: \$12.7 million.

TURNPIKE RESURFACING – NORTH OF S.R. 710/BEELINE HWY TO NORTH OF JUPITER (Milepost 107-118)

- One lane in each direction will be closed periodically between Milepost 107 and Milepost 118. One lane in each direction will remain open. No lane closure will extend more than two miles.
- Sunday, July 15, through Thursday, July 19, between 7:30 p.m. and 6 a.m.

PROJECT DESCRIPTION: Milling and resurfacing of Florida's Turnpike from north of S.R. 710/Beeline Hwy to north of Jupiter (Indiantown Rd.). This resurfacing project started in April 2006 and is scheduled for completion in early 2008. Approximate cost: \$14.6 million.

MARTIN COUNTY

TURNPIKE RESURFACING – NORTH OF JUPITER TO SOUTH OF STUART (Milepost 117-123)

- One Turnpike lane in each direction will be closed periodically between Milepost 120 and Milepost 123. One lane in each direction will remain open. No closure will extend for more than two miles.
- Sunday, July 15, through Thursday, July 19, from 7 p.m. to 5 a.m.

PROJECT DESCRIPTION: Milling and resurfacing of Florida's Turnpike from north of Jupiter (Indiantown Rd.) to south of Stuart (Martin Downs Blvd.). This resurfacing project started in April 2007 and is scheduled for completion in late 2007. Approximate cost: \$9.5 million.

TURNPIKE RESURFACING – NORTH OF JUPITER TO NORTH OF STUART (Milepost 123-138)

- One lane in each direction will be closed periodically between Milepost 123 and Milepost 138.
- Monday, July 15, through Friday, July 19, between 7 a.m. and 6:00 p.m.

PROJECT DESCRIPTION: Milling and resurfacing of Florida's Turnpike from north of Jupiter (Indiantown Rd.) to north of Stuart (Martin Downs Boulevard). This resurfacing project started in October 2006 and is scheduled for completion in late 2007. Approximate cost: \$10.4 million.

ST. LUCIE COUNTY

TURNPIKE RESURFACING – NORTH OF STUART TO NORTH OF FORT PIERCE (Milepost 138-153)

- One lane in each direction may be closed periodically between Milepost 138 and Milepost 151. One lane in each direction will remain open. No closure will extend for more than two miles.
 - Monday, July 16, through Thursday, July 19, between 7 a.m. and 5 p.m.
 - Friday, July 20, between 7 a.m. and noon.

PROJECT DESCRIPTION: Milling and resurfacing of Florida's Turnpike from north of Stuart (Martin Downs Blvd.) to north of Fort Pierce (SR 70/Okeechobee Rd.) This resurfacing project started in September 2006 and is scheduled for completion in late 2007. Approximate cost: \$15.8 million.

Florida's Turnpike Enterprise is part of the Florida Department of Transportation overseeing a 454-mile system of limited-access toll highways: the Florida's Turnpike, extending north from Homestead in Miami-Dade County to Wildwood in Sumter County, the Seminole Expressway and Southern Connector (Toll 417) in Seminole, Orange and Osceola counties, the Beachline Expressway West (Toll 528) in Orange County, the Polk Parkway (Toll 570) in Polk County, the Veterans Expressway and Suncoast Parkway in Hillsborough, Pasco and Hernando counties (Toll 589), the Sawgrass Expressway (Toll 869) in Broward County, and the Daniel Webster Western Beltway Part C (Toll 429) in Orange County.

SunPass is the Florida Department of Transportation's innovative Prepaid Toll Program. SunPass can be used on Florida's toll roads and most toll bridges. SunPass customers typically pay 25 cents less than cash customers at most toll plazas and exits on Turnpike roads. For information on SunPass®, please contact 1-888-TOLL-FLA (865-5352).

Travelers on the Florida's Turnpike system of roads may view real-time traffic information by visiting our website at <http://www.floridasturnpike.com>. While traveling in the Orlando, South Florida and Tampa Bay regions, motorists should dial 511 for real-time regional traffic information on the Turnpike and other major roads. This information system is voice-activated; motorists should speak the name of the road they wish to use. They may also visit <http://www.fl511.com> for information. This free service of the Florida Department of Transportation is available 24/7.
